Pg3 Treatment to mother's arm.

Pg6 School - National School in Beast Banks

Pg7 Reference to tenterhooks.

Pg9 Technical School, Kent Street and Station Road.

Pg11 Father transporting stone to Dent.
(Reference to Adam Sedgwick's memorial in Dent's main street?)

Pg 12 Haverbread.

Pg 13 Inghamite Chapel and Gillingate Mission.

Pg 14 St. George's Theatre. Clara Butt.

Pg 16 Working at Dawsons, Finkle Street, putting together garments.

Pg 17 Westmorland County Hospital.
Transporting of patients by ion litter,
(The St. John's Ambulance Brigade, Kendal, have a litter - a sort of long flat barrow on which they used to transport patients - is this the one referred to?)

The typed script does not give a very good impression of Miss Robinson. Listening to the tape would give a much better picture of the lady. Because of her extreme age she sometimes gets muddled and events are out of sequence, but still a remarkable memory.
